Advantages of studying at American Elite School

English Language Learning Methodology

Our curriculum covers all six aspects of the English language: grammar, reading, writing, listening, speaking, and vocabulary.

Pathway to "Ivy League" Universities

Our educational program provides students with the opportunity to aspire for admission to the prestigious "Ivy League" universities.

The Advantage of Online Learning

Online learning allows students to acquire knowledge from anywhere that is convenient for them.

EduScrum: Teaching methodology

EduScrum places students at the center of the learning experience, empowering them to influence the learning process, participate in task planning and manage their time effectively.

Self-Organization and Time Management

EduScrum teaches students how to plan their activities, to manage time, and how to prioritize their everyday tasks.

Development of Collaboration Skills

Working in teams, collaborating on projects and problem solving together to learn how to work with others.

Improved Motivation and Outcomes

Equips children with skills applicable in real life: project management and creative problem-solving.

Fostering Creative Thinking

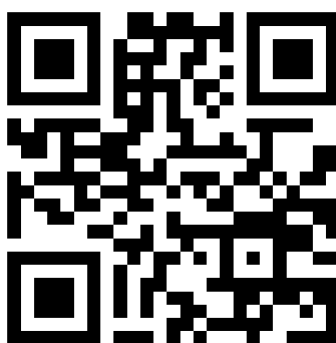

The methodology encourages to seek new solutions and approaches, stimulating creative thinking and approach.
